

MERCURY COUGAR

1999

Imagine yourself in a Mercury

## Dress up its interior, too.

We know you're excited about the arrival of the new Cougar. This is certainly the beginning of a new era for Cougar. You're probably thinking—Hey, I know it's a cool looking car, but what colors does it come in, anyway?

Medium Graphite Leather

Light Prairie Tan Leather

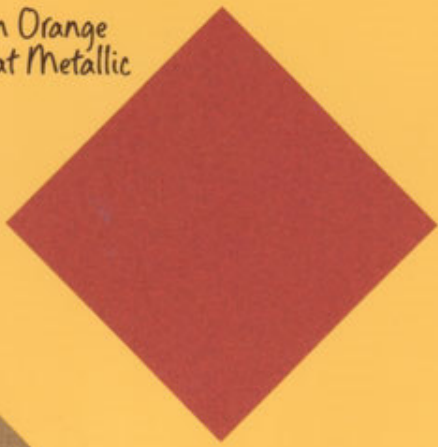

Midnight Black Cloth

Greystone Cloth

Well, this brochure should give you a good idea about all the choices your customers are going to have. Shown here are all the exterior and interior colors available. Now that you have that info, the cat's out of the bag!

Proof there's more than one way to skin a cat.
